

Chapter 53: Indefinite Pronouns (Someone, Anything, Nowhere)

Arre boss! आज ekdum mast aur thoda detective jaisa grammar topic seekhenge – Indefinite Pronouns. Matlab ऐसे pronouns jo exact person/place/thing ka naam nahi bataate, bas “koi, kuch, kahin, kabhi” jaisi baat karते हैं.

Socho! Tum room mein gaye aur bola: “Someone is in the room.” Matlab koi toh hai, par kaun? Yeh suspense hi indefinite pronoun ka style hai!

Indefinite Pronouns क्या हैं?

- Indefinite pronouns wo words hain jo person/thing/place ki exact identity bataye bina “general tareeke” se uske baare mein bolते हैं.
- Hindi mein: “कोई, कुछ, कहीं, किसी भी जगह, कोई नहीं” type ke shabd.

कब Use होते हैं?

(1) Jab tumhe pata na ho ki kaun ya kya hai.

- Someone knocked on the door. (किसी ने दरवाज़ा खटखटाया।)

(2) Jab general baat karनी हो without naming.

- Anything is possible. (कुछ भी संभव है।)

(3) Jab negative sense dena ho.

- There is nowhere to go. (कहीं जाने की जगह नहीं है।)

Shortcut:

- **Some-words** = Positive sense (someone, something, somewhere).
- **Any-words** = Questions/negatives (anyone, anything, anywhere).
- **No-words** = Negative force (no one, nothing, nowhere).
