Chapter 61: Health and Body Parts (Headache, Stomachache, Doctor)

Arre boss! आज का topic sabse ज़रूरी aur ekदम real-life hai – Health aur Body Parts. Kyunki bhai, sehat hi toh asli daulat hai. Lekin jab English mein tumhe bolna ho "Mujhe sar dard hai" toh stylish maidum English aati hai: "I have a headache."

Aur agar tumne samosa extra kha liya aur pet dard shuru \rightarrow "I have a stomachache."

Health and Body Parts क्या है?

- **Health** (सेहत/स्वास्थ्य) = Hamari body aur mind ki condition.
- Body parts = शरीर ke अंग (head, stomach, hand, foot).
- Hindi mein: अपनी body ke parts aur unki health ya problems ke बारे में बात करना.

कब Use करना है?

- (1) Jab doctor ko apni problem बतानी हो.
 - I have a backache.
- (2) Jab family/friends ko apni health batानी ho.
 - She has a cold.
- (3) Jab kisi se poochna ho ki unki tabiyat kaisi hai.
 - How are you? Are you feeling better?

Shortcut boss: "I have + health problem" bol ke mast English mein bimaari express karo .

Funny Recap (Arre Yaar Style)

Boss, ab health aur body parts ka funda simple hai:

- I have + problem \rightarrow I have a headache / I have a stomachache.
- Body parts daily use mein: head, leg, hand, eye.
- Doctor bolenge toh: Take medicine and rest.

Masti Example:

- Dost bola: "Why didn't you come to the party?"
- Tum बोले: "I had a stomachache... after eating 5 samosas."
- Dost हॅस बोला: "Arre yaar, next time medicine ke saath samosa share bhi karna!"

Samajh gaye boss? Ab tum English mein apni health aur body parts mast तरीके से describe कर सकते हो – doctor ko bhi impress कर दोगे!
